Dear Prospective Corinthian Yacht Club Member:

Thank you for expressing an interest in the Corinthian Yacht Club. This package of information will acquaint you with the Club, its activities and fees, and also explain the procedures for becoming a member.

The Corinthian Yacht Club was founded in 1903 in Washington, DC, by nineteen young men who were interested in “sailing, rowing, canoeing, or any pastime that would cause them to spend a few hours on the water. Over the years the Club has moved to Jutland Creek, off the Potomac River, near Ridge Maryland, and a majority of the members are now power boaters, but a love for spending time with good friends on the water is still our focus.

Most of our current members joined the Club to take advantage of the twenty acres of grounds, clubhouse, pool, boat ramp, sixty-four covered and open slips. They soon found that the primary benefit of membership was the camaraderie with their fellow members who spend many weekends and vacations at the Club.

Should you decide to apply for membership, please fill out the attached application form, attach a personal check for the appropriate application fee and have it signed by two active members. These two members will then become your sponsor and they will make arrangements for you to meet with three members of the Board of Trustees. A good time to do this is at one of our monthly parties listed in the attached schedule of Club Events. Once your application has been signed by the Trustees, it will be given by your sponsors to the Club Secretary for processing.

After your application has been posted for ten days on the Club bulletin board, notice of the application sent out to all members in the monthly newsletter and your references contacted by the membership committee; the Board of Trustees will vote on the application at its regular monthly meeting.

Once you have been notified of your acceptance, you will be asked to attend the next regular monthly membership meeting where you will be introduced to Club members and presented with your Club burgee and pin.

Thank you again for your interest in the Corinthian Yacht Club, we hope to see you spending a few hours on the water in the near future.

Sincerely,  
Corinthian Yacht Club Board of Trustees
