

From the Commodore's Bridge

Ahoy Corinthians! Sorry I missed what by all reports was a great event at the club this month. The C Dock roof project is complete and Paula is making good progress on Cottage two renovations. Hopefully we have worked the bugs out of the Wi-Fi system and you are able to connect when you need to. Our monitoring has revealed that we have successfully limited access to our system by going secure. Darrell reports that the County intends to select a contractor for the septic system early in July so that project should be underway soon. We also are hopeful that we will be able to place the order on the Cottage 6 replacement this month. Rosemary and I will be down over the fourth and hope to see you then or at the cheeseburger party. See you then.

Around the Grounds

The Water Pump was broken and repaired, special thanks to Dolores Derrington, and Martin. Dolores contacted Martin and after all attempts to repair it failed – Johnson Well Service promptly made a service call and repaired the pump.

The bathrooms got a new pitched roof and cottage #2 got new shingles, a day or two later, CYC had a storm which quickly showed some new leaks. Jeff Thompson promptly visited the cottage and will resolve the problem.

We are moving on to the Bathroom renovations. The men's room will be closed and the Women's Bathroom will be co-ed for a short time. Either gender, when you use the women's bathroom, to insure privacy, use the door knob lock.

Reminder to members and guests to treat the cottage like it was their own home. It is to be cleaned before you leave, same with the bedrooms in the club house. Remember, to bring your own sheets, there are 2 sizes of beds, Queen and Single. If you find and use CYC sheets, please wash them at CYC and promptly return them to the room.

The front of CYC will get manicured, starting this week.

CYC Events

The "Tex-Mex-Pina" fiesta, hosted by Phil Deming and Edith Mims was a smashing success, attended by 70 members and guests. CYC had the pleasure to welcome guests from Lodge Creek Yacht Club (LCYC), who joined everyone else in enjoying the cuisine provided by Cerro Grande of Lexington Park and home cooking by Edith Mims. Live entertainment Saturday evening was generously provided by our host, Phil Deming, and enjoyed by many dancers and listeners alike. Bartending duties were graciously provided by Cathy Schrader, Jim Test, Bob Tolle, and Chuck O'Brien. Our cleanup duties were handled by Sadie and Holly who did their usual great job. A big thank you to all who worked so hard to make this a successful and enjoyable evening. I would also like to mention how nice it was to meet Eugene Miller, who returned after 8 years absence, to attend this event. It was a pleasure and I hope you're a regular again. Fourth of July is here once again and although CYC is not doing a sponsored event, it should be lots of fun to be around, and pot lucks are likely. Our next event will be the great Five Guys burger event, hosted by Janie and Jerry Murrell, always a CYC favorite. Looking forward to seeing you all there. Until then, be safe.

Your Rear Commodore, Dave Fuchs.

Cruising Schedule

A special thank you to Fred Camp of the Coast Guard Auxiliary, who came to CYC on Saturday, June 25th to perform safety inspections on 11 of our boats.

The next cruise event is a raft-up at "Aquapalooza" at Tim's Rivershore on Saturday, July 23rd, from 11 am to 9 pm. You can register at aquapalooza.com, and if you do so by June 30th, you will receive a free T-shirt. Please e-mail me if you plan to attend.

I would be happy to receive your suggestions regarding your specific cruising interests.

Membership

The membership reluctantly approved the resignation of Danny Smoot (and Jody). On a more positive note, we received an application for a new active member from Patrick "Pat" Williams, and his application is posted on the bulletin board at CYC. Pat is recommended by the Niebuhrs and Tom Wines and Sherrill Lily. His application will be voted on at the next Board Meeting.

We are sad to report the passing of John Bivins, a long time. John was approaching his 99th birthday, and was a fixture here for many years on the "Lady B". Terry and Sue Kivett now enjoy the Lady B, so John is still with us in spirit. The funeral was held on Monday, June 27th in Richmond.

We are also sad to report that June DeHart's mother passed away a couple of weeks ago. June's mother visited CYC several times, and always enjoyed our little bit of paradise. We know she is someplace nicer now. Our sympathies go out to Dan and June.

The Board decided not to support a booth at the Annapolis Boat Show this year. We are going to try some other venues, and are pursuing the Hollywood VFD boat show, and the Chantilly Boat Show (in Virginia). If you know of other venues where we can "get the word out," please let me know, and we'll see if we can support it. Our ad did make it into the summer concert series program, so be on the lookout for it. In addition, we are currently running the 50% off initiation fee special for Active members. So, now is the time to recruit your friends!

Based on a member suggestion, the Board has set official pool opening and closing times: NLT 10 am opening, and 9 pm closing. On special occasions, we can stay open longer, weather permitting. We have two additional members that have completed the pool operator training, so that will assist us in these duties.

Corinthian was pleased to welcome the Lodge Creek Yacht Club (LCYC) from Olverson's Marina. Three yachts were on B dock and Two on A Dock. LCYC members enjoyed Ridge Markets liquor prices, ☺ frozen Margarita's at the Pool served by Geoff Baumann, followed by dinner and dancing at the Tex Mex Fiesta. A Sunday morning pot-luck brunch was served on B Dock, highlighted by a heartfelt prayer of Thanks and some awesome, homemade cinnamon rolls. LCYC invited CYC to visit them at Olverson's Marina. We expect to see LCYC members again at CYC - Paula Hajos (for Larry Marcoux).

No Wake!

CYC has several "No Wake" signs as a reminder to slow down. Please extend that courtesy to our

neighbors. Our closest neighbors (the Bonhams) have young children who are often on their boats or dock and we have to be especially careful that we do not harm them in any way.
