

From the Commodore's Bridge

Ahoy Corinthians! Finally a decent weather weekend as Saturday and Sunday could not have been nicer...unless of course you were looking for Rockfish which are still hard to come by. We had a great event on Saturday with Geoff cooking a wonderful prime rib dinner. No one went away hungry even after demonstrating their moves on the dance floor. We are happy to welcome new joint members John Carey and Jennifer Tickle as well as returning Individual member Joe Chandler (and wife, Sylvia) to the Club. In addition, we had a couple of prospective members join us for the membership event and both submitted application(s) which we will be processing this month: John S. Revelle, Jr. and Bruce and Marie Wiljanen are our prospective members. As I have mentioned, I believe the best way to recruit new members is to show them what brought us here and let them enjoy our fellowship. So I encourage all of us to continue to bring guests to the club for our events. We have a great one coming up next month in the Oyster Fest. Speaking of visitors, we had the Wilton Creek Cruising Association and the board of the CBYCA visit with us. We exchanged burgees and CYC got glowing reviews for our facility and our friendliness.

Sadly, Amand Scala passed away peacefully at Arlington Hospital on the morning of October 5, 2011, after a long illness. Armand was very active and involved in Corinthian and will be greatly missed. Armand was also very much involved and loved in the Romanian American community as witnessed by the huge turnout at his memorial. He is survived by his wife Tina who we welcome to remain connected to the Corinthian family. In lieu of flowers, donations

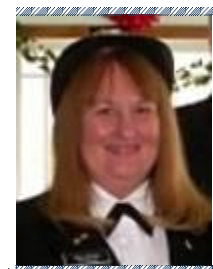

may be made to St. Mary's Orthodox Church in Armand's memory.

At the membership meeting we thanked Darrell for completing the septic program with almost 40% of the available budget remaining. When you come down you will also see we have a new Cottage 6 complete with a screened porch and independent septic and well. We will be going through final connections, landscaping and inspections in November and plan to have it ready for occupancy the beginning of the year. Phil Deming reported on the progress of the nominating committee which will be returning most of the board for 2012. We are looking for someone to step up to Rear Commodore and would like to get members who are interested in serving on the board in 2013 indentified early in 2012 so they can learn from the current board. Look forward to seeing you all in November.

Around the Grounds

Cyc is a happening place. Ray has been working on the E dock lights which were out. There were several problems, some he replaced the light bulbs and other's it was the electric eye.

The sink-hole outside the kitchen should be repaired any day. The rain has held up the replacement.

The grounds committee will groom the property on November 19 (or 20th which will be our backup date). Geoff Baumann, and the committee would appreciate anyone who is willing to help with the clean up and disposal of the clippings.

Thanks to all the members who pitch-in and help with the little details on a day-to-day basis.

CYC Events

The October event, the prime rib dinner, was hosted by Geoff Baumann, Paula & Craig Hajos, Dolores & Darrell Derrington, Paul Altman & Christy Mallory and her son Gage. Along with Phil Deming and Edith Mims, we made this another CYC super success story. Lots of hard work and contributions by many members produced an evening of scrumptious food, good company, topped off with live music and dancing. Michaela Weis led the clean up crew, which included the assistance of Gage. Chuck O'Brien won the 50/50 raffle, and donated \$109.00 of his winnings back to the Club. Thanks.

Every event this year has been a great success story. We are all deeply appreciative for all of the folks who dedicated their time and hard work throughout the year to provide a wonderful social program for CYC. A big Thank You to all.

And now it's time to start thinking about the next event, our annual oyster roast, which is always one of our most popular events. See the flyer for details. This event requires the helping hands of many to make this a success. There is a lot of setup for this

event, so please contact event coordinator, Paula Hajos and let her know how you can contribute to this all-day event.

October was an excellent membership month on many fronts. We have a brand new addition to the CYC Family—Lorelai Ratliff. She is our youngest Board-Member-in-training, thanks to parents Nathan and Holly Ratliff. Welcome aboard! In addition, we added one new joint member, and one returning member:

The applications are posted on the bulletin board, and we should be voting on their applications on November 12th. Look for them at the Oyster Roast!

Prayers and Concerns

We ask for your continued prayers for **Sue Kivett, John & Pat Krisko, Bud and Nancy Schatz, Elizabeth Marcoux and the Scala Family.**

In Memory - Armand Allen Scala

Armand Scala passed away peacefully at Arlington Hospital on the morning of October 5, 2011, after a long illness. Armand was born April 16, 1941, in Alberta, Canada, to Romanian parents. As his father was a Romanian Orthodox priest, the family moved over the next 20 years to various parishes in Nebraska, Michigan and Massachusetts. In 1960, the family moved to Washington, D.C. where his father was the founding priest at Holy Cross Romanian Orthodox Church in Alexandria. After serving as an exhibit guide with the U.S. Information Agency in Romania in 1963, Armand completed his B.A. in Government and Political Science at American University in 1965 and completed post-graduate studies in International Finance. From there he pursued a successful career in finance and investment, beginning his own firm in 1982.

The fall of the Berlin Wall in 1990 and the end of the Ceausescu regime activated Armand's strong affection for Romanians and Romania. He founded the Congress of Romanian Americans (CORA) in 1991, whose purpose was to assist Romania in its integration into the Western alliance. As President of CORA, he was instrumental in pressing Congress and the Clinton and Bush administrations ultimately, successfully, to support Romania's admission to NATO. At the same time, he was a cofounder of the Central and Eastern European Coalition (CEEC), representing 18 ethnic organizations and over 22 million Americans, with the purpose of pushing American policymakers to an unwavering commit-

ment to, and sustained engagement with, the newly free countries of that region. Additionally, Armand served as the vice president of the Romanian American Chamber of Commerce, and defended the rights of Romania's abandoned children. For his untiring efforts, he received numerous awards, including the National Order of Merit, rank of Commander, from the President of Romania in 2004.

Throughout his life, he was a passionate supporter of the Orthodox community in Washington, D.C. He was a founding member in 1991 of St. Mary's Orthodox Church in Falls Church, Virginia, serving many years as Council President. He sang with both the church's choir and the Pan Orthodox Madrigal Choir of Washington, which performed at the White House, Kennedy Center, Supreme Court and the National Cathedral. In 1975 he was founder and president of the Festival of Choirs, representing 25 local Orthodox parishes. During the past 20 years, he has brought numbers of Romanian choirs and other cultural groups to the United States. In all of his endeavors, his generosity of spirit, sense of diplomacy, and good humor came through and endeared him to many.

Armand is survived by his wife of 45 years, Christina Y. Scala, of McLean Virginia, their son, Armand A. Scala, II, his sister, Antoinette Scala Robertson, and her husband, Thomas B. Robertson, his stepbrother Rudolph W. Ficken, Jr., and his wife, Jill, and a nephew, Thomas G. Robertson, and niece Elizabeth R. Waller. In lieu of flowers, donations may be made to St. Mary's Orthodox Church in Armand's memory.
