Prospective Member of Corinthian Yacht Club:

Thank you for expressing an interest in The Corinthian Yacht Club (CYC). This package will help familiarize you with our club facilities, activities, and fees. In addition, we hope to explain the membership process and advantages of membership in CYC.

The Corinthian Yacht Club was founded in 1903 in Washington, DC, by nineteen “boys” who were interested in “sailing, rowing, canoeing, or any pastime that would cause them to spend a few hours on the water.” Over the past 100 plus years, CYC re-located to its current location on Jutland Creek in St. Mary’s County Maryland, just off the Potomac River in Ridge, Maryland and a few miles South of St. Mary’s City. We are approximately 7 miles from Point Lookout, where the Potomac River joins the Chesapeake Bay. The majority of our members are now power boaters, but we enjoy a mix of boating styles, but continue to share our love for spending time on the water.

Most of our members joined CYC to enjoy the 20 plus acres of serene waterfront property, the clubhouse, the pool, CYC boat ramp, covered slips, and as an added bonus – rental of rooms and cottage for a nominal fee on a scheduled basis. However, the real attraction is our members, their camaraderie and genuine caring for each other. Many members take vacations together summer and winter.

Should you decide to apply for membership, please complete the enclosed application form, attach a check for the appropriate amount, depending on the type of membership. The form requires signatures from two active members, who become your sponsors at CYC. These sponsors should also facilitate introductions to board of trustees members, who can sign the application (three signatures are needed). The completed application is then processed by the Secretary of the CYC, which includes posting your name for other members, reference check and Board vote at the next regular meeting. We also invite you to attend one of our functions, free of charge, if you haven’t already attended a function, in order to get to know the members and sample some Corinthian hospitality first-hand.

Once you have been notified of your acceptance, you will be asked to attend the next regular monthly membership meeting, where you will be introduced to the club members and presented with your Club burgee and lapel pin.

Thank you again for your interest in The Corinthian Yacht Club, and we hope to see you spending a few hours on the water with us in the near future.

Sincerely,

Corinthian Yacht Club Board of Trustees
